Dear Manchester Elementary School Panther Family:

I am honored to be the principal of Manchester Elementary School. I am excited to continue to work in this outstanding school and community. I look forward to building relationships with students, staff, parents, and guardians as we work together to develop an even stronger community. I am originally from Columbia, South Carolina, and after graduating from Winthrop University, I started my teaching career in Sumter County as a band director and then assistant principal.

To fully understand Manchester Elementary's needs, I will continue to spend time meeting with students, parents, and community members. I truly believe in creating positive relationships with all stakeholders. Positive relationships will benefit all students here at Manchester Elementary School. I am aware of the great community involvement that supports Manchester Elementary School and fully welcome ongoing involvement with all stakeholders.

My goal is to ensure that all students are happy, healthy, and safe. Together we will achieve the goals of providing challenging, meaningful, and engaging learning experiences for all students. I will work to build upon the successes that have been achieved at Manchester Elementary School by setting clear expectations and building positive relationships with faculty, staff, students, parents, and community stakeholders.

I am blessed to have a wonderful family. I am married and have two children. Bella who is 11 years old and enjoys dancing and Bryson who is 8 years old and loves video games.

I am honored to lead Manchester Elementary School as Principal. I would like to take this opportunity to thank Dr. William Wright, Superintendent, and the Sumter School District Board of Trustees for entrusting me to lead such a wonderful community school.

Brandon Wells

Mr. Brandon Wells, Principal
Manchester Elementary School

Sumter School District is an equal opportunity employer.
